

The SRCC has a few very important sponsors. The sponsors provide goods and sometimes money to help us pay for such things as the website, membership gifts, medals, stickers etc. etc.

One of our most popular sponsors is Sasco Motorsports. In 2007 Sasco donated 4 new tires to the club. We gave those out as a raffle at the end of the year in two sets of two tires. Each club member received one entry for every SRCC points race they entered. If you entered 1 race you got one entry. If you entered 4 races you got 4 entries.

Now for 2008 Sasco has upped their support! **Thank you Sasco!**

THIS YEAR WE WILL GIVE AWAY 8 TIRES!

4 club members will each win 2 tires. The drawing will be the same as last year. You will get 1 entry for each SRCC points race you enter. This is about \$1600 worth of support. The drawing will be held at the end of the season. Again...thank you very much Dave Handy and Sasco Motorsports.

For 2008 we have streamlined our Sponsor Program.

Included below are the details on the program.

The board members are each committed to getting one Gold or Platinum sponsor on board for 2008.

Hey...all SRCC members can help. If you know a potential sponsor just email them the sponsor proposal, which will also be on the SRCC website. If you want a board member to follow up please email one of us and we will.

We have had some members say that they are going to do a sponsorship themselves.....their goods or services aren't directed at racing, they will make a cash sponsorship just to support the club! Thanks!

HERE IS THE SRCC SPONSOR PROGRAM:

We are the North American Chapter of the Sports 2000 Racing Car Club. We are the

organizing force behind about 100 vintage (1986 and earlier) Sports 2000 race cars. We have a very active membership. We will conduct 13 races in 2008 working with the top sanctioning bodies in vintage racing including SVRA, VCDA, VSCDA, and VRG. In 2007 we held a race at Road America commemorating 30 years of Sports 2000 and we had nearly 100 Sports 2000 cars attend. We are biased but we think we put on the best show of any vintage weekend. Fast lap times and tight wheel to wheel racing. To learn more about Sports 2000 please visit our website at www.nac-srcc.com.

We are seeking a small number of meaningful sponsorships for our club this year. The sponsorships go to defer the cost of newsletters, our website, decals, medals and a big trip to the Bahamas for the board...okay, that part is not true!

Do you sell services or goods to Sports 2000 racers? Would you please consider giving something back to keep the club going and growing?

THE 2008 SPONSORSHIP PACKAGE

Gold Level Sponsor: \$500 to \$1,000 in cash, goods, or services

- Prominent spot on front page of SRCC website, with write-up, web-link etc.
- Feature article or interview in one of 3 yearly newsletters the club sends to its members
- The eternal gratitude, and hopefully the continued business of our members!

Platinum level Sponsor: \$1,000 or more in cash, goods or services

- Prominent spot on front page of SRCC website, with write-up, web-link etc.
- Feature article or interview in one of 3 yearly newsletters the club sends to its members
- A 4" by 10" decal (provided by the sponsor) on each members car at SRCC races throughout the season.
- The eternal gratitude, and hopefully the continued business of our members!

If you give the club goods or services we give them to club members through a raffle at the end of the season. Each member receives one entry in the raffle for each SRCC race he attends during the season. Go to one race, you get one entry. Go to five races you get five entries.

Some SRCC club members have offered to provide sponsorship even though they don't provide goods or services to Sports 2000 owners. Great! That is the true spirit of the SRCC!
