### CONFIRMATION OF CAR SPECIFICATIONS

Event organizers and sanctioning groups rely on SRCC to help classify S2s entered in their events. As part of renewing your membership please verify that, to your best knowledge, your car meets SRCC's Preparation Rules posted at [www.nac-srcc.com](http://www.nac-srcc.com) and, if not, how it differs. Any questions, ask Don Becker at [donbeck@mindspring.com](mailto:donbeck@mindspring.com).

Please check here  if you believe your S2 will meet SRCC's Preparation Rules.

If you believe your S2 won't meet SRCC's Preparation Rules, check any boxes that apply or list any non compliant modification(s) below:

- Non Stock Cam Shaft or Flywheel
- Aluminum Head or Brake Calipers
- Five Forward Gears
- Rear Diffuser

Other modifications: \_\_\_\_\_

You may join SRCC if your car doesn't meet SRCC's Preparation Rules and you will most likely be able to participate in vintage race events, but the modifications may affect your run group or car class at certain events. However, to earn points toward SRCC's championships, your car must comply with SRCC's Preparation Rules.
